

# Mozambique

*After a trip to Southern Africa, why not enjoy a beach stay on one of the stunning islands, easily accessible from Southern Africa.*

## Resorts Suggested:

- Kisawa, Benguerra Island
- andBeyond, Benguerra Island
- Anantara Bazaruto

## Activity Highlights:

- Pack for a purpose encourages travellers to make a lasting impact on the communities they travel by bringing with them supplies to donate to local schools or medical clinics.
- Head out snorkelling or diving to see how your resort is supporting environmental management at a local level and contributing to international scientific programs.

## Impact and Sustainability:

- Transport: Carbon off-set via Choose
- Accommodation: Resorts that are dedicated to preserving Mother Nature, local communities and lessening their carbon footprint for future generations. Environmental conservation and supporting responsible travel at the heart of their practices.

## Carbon off-setting via Choose

*The CHOOOSE platform provides tools for integrating climate action into any customer experience through automated emissions calculations, dynamic sustainability scores, climate program reporting, and a vetted marketplace of carbon removals, sustainable aviation fuel (SAF), and offsets.*
